LEARN TO CURL

Become apart of a Canadian tradition!

Penetanguishene Curling Club is excited to share that we will be running our first Learn To Curl program this fall.

Run by qualified coaches and experts, this six (6) week program will take you through the basics of curling. Great for new to novice curlers.

The Learn to Curl program will be $100.00 for new members for the six (6) week term. After curlers will be able to upgrade to a full membership less the $100 if they wish.

After the six (6) week program, the Friday evening ice time will turn into a social league for all members to join. It will be a tag-draw style game play. A great league to have fun, meet new people, and enjoy the game of curling.

For more information on the Learn to Curl or the social league, visit our website - www.penetangcurlingclub.ca

MIDLAND/PENETANG CLUBS

There have been whispers during the last season regarding a possible amalgamation of the Midland and Penetang clubs.

There have been discussions between the two Board of Directors regarding the benefits and disadvantages of having one club within the region. No decision has been reached by either board.

If you have any questions, concerns or suggestions, please reach out to us. We welcome your input.

Thank you, The Board of Directors
