LEARN TO CURL & NEW LEAGUE

Become apart of a Canadian tradition!

This fall we are excited to be holding a 6-week Learn to Curl program. This Friday evening program will be open to all curlers for \$100 and free to current club members. If someone wishes to join the club after the 6 weeks, they are welcome to register for the full member fee less \$100.

After the 6 week program, this Friday evening slot will turn into a Social league. With tag-draw teams, the league will be open to all full members looking to enjoy a Friday evening on the ice.

In addition to the Learn to Curl program, we will be offering all members a one-time opportunity to bring a friend to try curling for free!* This will be open to all leagues without set teams or looking for a spare.

***All curlers must fill out a waiver, but the \$20 spare fee will be waived once.**

NEW WEBSITE FEATURES

By now, most members have seen our new website that was launched earlier this year.

In your member profile, you have access to many new features, including:

- Viewing your teams' schedules
- Listing your spare availability
- Finding and contacting spares
- Booking ice times
- Event Registrations.

Simply log in to the website, select "Members Home" and make your selection from the drop-down menus.

EARLY REGISTRATION NUMBERS

We had a successful month of early bird registration!

Over the month of July, we saw 106 registrations. Out of those, 26 were new members.

This was a very exciting turnout for our registration. The board is looking forward to seeing the final registration numbers at the end of September.

See you on the ice in October. Cheers!

WIDER WALKWAYS

Members of the club have been busy since the ice has been out.

Over the last couple of months, we have been working on widening the outer walkways.

We would like to thank Keith St. Amant, Dale Lamb, Dave Vajda, Dave Brunelle, and Paul Stack for their hard work building and installing the new walkways.

UPCOMING EVENTS

Spooky Spiel

Saturday, October 28, 2023

Dress up. Win Prizes. Dance.

More information to come.
