PENETANGUISHENE CURLING CLUB NEWSLETTER

LEARN TO CURL SUCCESS!

Our first learn to curl program has come to an end. We had 30 participants register for the program and a handful of members drop by to practice their skills. Overall, the program was a great success! We would like to thank all the amazing coaches - Ami Hendry, Emma Lalonde, Cassie Pacanero, Jason Lefaive, Keith St.Amant, Dave Henderson, Dave Dalrymple, Amanda Legace, Chris Foley, Janis Foley, Dale Lamb, Celeste Leblanc, & Olivia Lalonde - who dedicated their Friday evenings to help make this program a success. We hope to run more programs like this in the future!

THANK YOU

Thank you yo Keith St. Amant and ProSpec Technologies Inc. on their quick work fixing the brine pump. With them, we were able to save the ice and the season!
