TRIVIA NIGHT

In May, the club hosted trivia night. With 52 participants, the event was very successful. We hope to host another soon.

STORGE CONTAINERS

The Penetanguishene Curling Club is currently seeking quotes in purchasing an 8'x20' storage shipping container to store seasonal equipment for both winter and summer. The container must be in good shape, with functioning doors, hardware and present well, as it will be located on the north/water side of the curling club. Pricing should also include delivery to 8 Owen Street, Penetanguishene, ON.

We are looking to have this storage container installed by August 2025 or earlier.

If you know anyone or a business that are selling a container, please pass along their contact information to David Brunelle or have them contact him at davidbrunelle@rogers.com or 705-716-7124.

PICKLEBALL

The club is currently in the planning stages of looking into the feasibility of investing in pickleball equipment to offer a minimum of four indoor pickleball courts for July and August of 2025. If this trial venture is successful, the club would be looking at potentially installing the pickleball courts from May to August 2026.

We are looking for members who are currently involved in pickleball or have an interest in pickleball to attend a meeting and hopefully form a committee that would provide feedback into the feasibility, demand, scheduling, leagues, staffing etc.

We will also be looking into the possibilities of hosting pickleball tournaments for the area as well.

If you are interested in attending a meeting to discuss this pickleball opportunity at the Penetanguishene Curling Club, please contact David Brunelle at davidbrunelle@rogers.com or 705-716-71245.

ALL THINGS CANADIAN EVENT

All Things Canadian is an event put on by the town with live music all day at the amphitheater. There will be vendors along the walking path. The curling club lounge and deck will be open from 11:00am - 9:00pm
